

Ascend Technologies

Managed Services

Delivering solutions that drive your organization forward

In today's fast-paced business landscape, technology is the backbone of success. Since 1999, we have been passionate about delivering IT solutions that drive your business forward. We offer unparalleled expertise and a team of collaborative experts dedicated to one thing: your success.

Services You Gain

Managed IT Services

We provide full-service IT support so you can focus on your core business.

Professional IT Services

We help you design, deploy, and manage your IT infrastructure.

Cybersecurity Services

We help you protect your business from cybersecurity threats.

Cloud Computing Services

We help you choose the right cloud solutions for your business and manage your cloud environment.

Assessment Services

Our comprehensive range of assessments covers various critical areas to ensure your organization is secure, compliant, and ready for the future.

Healthcare Consulting Services

We help healthcare organizations comply with HIPAA regulations and maximize their IT investments.

The Ascend Advantage

Experts You Can Trust

Award-Winning Team

Team Ascend's renowned experts are some of the best in the industry. Ascend consistently ranks among the top MSPs in the country, earning positions on award charts such as Channel Future's top 501 MSPs, the CRN MSP 500 & Elite 150, and Inc. 5000.

ITIL-Based Processes

Our unwavering mission is to maximize efficiency by making the onboarding, implementation, and rollout journey seamless and enjoyable. Leveraging the ITIL framework, we bridge the gap between security and compliance to enhance overall effectiveness.

Zero Trust Security Approach

Adopting a "trust no one" strategy safeguards your company information from the inside out. We'll implement continuous authorization, strict access controls and ongoing monitoring for your ultimate protection.
