Edafio Cloud

## Your Hassle-Free, High-Performance Private Cloud Solution

Tired of hidden costs and unanticipated downtime in public clouds? Want to make the transition from CapEx to OpEx a breeze? Edafio Cloud is your answer!

Designed for simplicity, cost-effectiveness and high performance, Edafio Cloud's computing and storage resources combine power and efficiency with a fixed-price promise. We also have a built-in backup process – making your data more secure than ever.

See why Edafio Cloud is a game-changer:

- **Fixed Price:** Say goodbye to hidden incremental costs that surprise you at the end of the month. Our predictable subscription approach keeps everything transparent.

- **OpEx Transition:** Moving from CapEx to OpEx has never been easier. Plus, you save on power, cooling and precious building square footage.

- **Flexible & Rapid Scaling:** Forget about hardware procurement hassles and supply chain issues. Need more virtual servers? More storage? We've got you covered.

- **Nightly Backup:** All systems follow a nightly backup schedule, with copies stored locally and at a secondary data center location. Rest easy knowing your data is safe.

- **High Availability:** Our private cloud architecture is built to keep mission-critical applications and websites online, even during traffic spikes, hardware failures or malicious attacks.

- **Peak Performance:** Using the latest cloud solutions, we ensure top-notch performance, always.

- **Next-Gen Networking:** Enjoy reliable connectivity with our top-tier networking systems and components.

- **Multi-layered Security:** Our private cloud is fortified with double-layered firewalls and is consistently updated with the latest patches and software releases.

- **24x7x365 Monitoring & Management:** Our experienced engineering staff has eyes on the system around the clock, allowing you to focus on your business.

- **World-Class Data Center:** Hosted in a state-of-the-art data center with redundant critical components and rigorous annual audits, our private cloud is the epitome of reliability.

Isn't it time you leveled up to a better, more efficient and more secure cloud computing solution? Switch to Edafio Cloud – where efficiency meets excellence.
