

Ascend Technologies

IT Assessments

Safeguard your business's future with IT assessments

Diverse Insights You Gain

Cloud Readiness Assessments

Embark on a confident cloud journey with a Cloud Readiness Assessment. Assess the readiness of your infrastructure, applications, and processes for a seamless migration to the cloud. Receive expert insights and recommendations to facilitate a successful transition, harnessing the cloud's benefits securely and effectively.

Infrastructure Assessments

Evaluate your existing network, identify vulnerabilities, and develop a strategic plan to optimize your current infrastructure with a Infrastructure Assessment. Our Infrastructure Assessments take a comprehensive approach to evaluate your network infrastructure, security, and performance.

Penetration Tests

Experience security in its truest form through a Penetration Test. Our adept security professionals replicate real-world attacks to expose vulnerabilities in your systems, networks, and applications. Leverage advanced techniques and receive insightful recommendations to enhance your defenses.

Security Risk Assessments

Safeguard your assets with a Security Risk Assessment (SRA). Our comprehensive evaluation of your security posture identifies vulnerabilities, assesses risks, and delivers practical mitigation strategies. By addressing vulnerabilities proactively, fortify your defenses and secure your critical resources.

Cybersecurity Maturity Model Certification Assessments

For defense sector entities, achieve cybersecurity compliance with a Cybersecurity Maturity Model Certification (CMMC) Assessment. Navigate the intricacies of the CMMC Assessment framework with our expert guidance. Assess your readiness, embrace the necessary security levels, and receive actionable steps for certification attainment.

The Ascend Advantage

Results You Can Trust

Award-Winning Team

Team Ascend's renowned experts are some of the best in the industry. Ascend consistently ranks among the top MSPs in the country, earning positions on award charts such as Channel Future's top 501 MSPs, the CRN MSP 500 & Elite 150, and Inc. 5000.

ITIL-Based Processes

Our unwavering mission is to maximize efficiency by making the onboarding, implementation, and rollout journey seamless and enjoyable. Leveraging the ITIL framework, we bridge the gap between security and compliance to enhance overall effectiveness.

Zero Trust Security Approach

Adopting a "trust no one" strategy safeguards your company information from the inside out. We'll implement continuous authorization, strict access controls and ongoing monitoring for your ultimate protection.
