

Ascend Technologies

Managed Services

Technology solutions driving
your success

Cybersecurity

Keep your business safe and compliant with round-the-clock protection and expert guidance. From strategy and consulting to advanced monitoring and threat response, our team ensures you're secure today and prepared for tomorrow.

Cloud Services

Unlock the power of the cloud with solutions that scale with your business. Our experts design, implement, and optimize environments that boost performance, reduce costs, and make technology work for you.

Infrastructure

Build a reliable, high-performing IT foundation with networks, servers, and systems managed by our skilled team. We keep everything running smoothly so your business can focus on growth.

Support Desk

Get fast, knowledgeable help whenever you need it. Our support team resolves issues, guides your staff, and keeps your technology—and your team—running at peak performance.

HubSpot Services

With dedicated tools for Marketing, Sales, and Service, Hubspot enables better collaboration, automation, and visibility throughout the customer journey—from first touch to long-term retention.

Salesforce Services

Empower your sales and operations teams with customized solutions, ongoing support, and workflow optimization from our Salesforce-certified experts who make your platform work the way you need it to.

Microsoft Services

Make Microsoft tools seamless and powerful across your organization. Our certified experts handle everything from deployment to optimization, helping your team collaborate, innovate, and stay productive.

The Ascend Advantage

Experts You Can Trust

Award-Winning Team

Team Ascend's renowned experts are some of the best in the industry. Ascend consistently ranks among the top MSPs in the country, earning positions on award charts such as Channel Future's top 501 MSPs, the CRN MSP 500 & Elite 150, and Inc. 5000.

ITIL-Based Processes

Our unwavering mission is to maximize efficiency by making the onboarding, implementation, and rollout journey seamless and enjoyable. Leveraging the ITIL framework, we bridge the gap between security and compliance to enhance overall effectiveness.

Zero Trust Security Approach

Adopting a "trust no one" strategy safeguards your company information from the inside out. We'll implement continuous authorization, strict access controls and ongoing monitoring for your ultimate protection.
