The Ascend Advantage

Powered by Microsoft

Tailored Protection

As a Microsoft Solutions Security Partner, Ascend seamlessly incorporates premier solutions such as Microsoft Defender and Azure Sentinel into your IT infrastructure. Leveraging our expertise within the Microsoft ecosystem, our team configures and optimizes these solutions to fit your specific environment and security needs.

Microsoft-Certified Specialists

Ascend operates 24/7 US-based NOCs and SOCs with additional monitoring from global cybersecurity experts. Our talented SOC team is backed by multiple prestigious Microsoft certifications, including Security Operations Analyst, Identity and Access Administrators, and Microsoft 365 Security Administration, among others. A high level of expertise ensures excellent service, as reflected in our glowing client testimonials.

Expedited Priority Support

Our exclusive partnership with Microsoft support automatically ensures expedited issue resolution with preferred status. This means your tickets are handled with priority, starting at Level 2 (or Level 3 with justification), and providing comprehensive case management, escalation, and technical consultations for complex cases.
