Data Protection

Safeguard your most valuable assets

Data is one of your most valuable assets, and safeguarding it is essential. Our Data Protection service ensures your data is securely backed up and easily recoverable. We help mitigate risks, ensure compliance with industry regulations, and preserve business continuity, so you can focus on running your business without worrying about data loss or breaches.

Services You Gain

Backup as a Service (BaaS)

Protect your data against breaches, cyberattacks, and other incidents, helping you avoid financial losses, reputational damage, and legal repercussions. Our advanced encryption and secure backup protocols ensure your data remains safe.

Ensure Compliance

Stay compliant with industry laws, regulations, and standards, such as GDPR and CCPA. Our service includes regular audits and compliance checks, ensuring you meet all necessary requirements and maintain customer trust.

Preserve Business Continuity

Gain peace of mind knowing that your data is always available, even in the face of disruptions or disasters. We provide reliable backup solutions that preserve business continuity, allowing you to recover quickly and maintain operations without significant downtime.

The Ascend Advantage

Experts You Can Trust

Award-Winning Team

Team Ascend's renowned experts are some of the best in the industry. Ascend consistently ranks among the top MSPs in the country, earning positions on award charts such as Channel Future's top 501 MSPs, the CRN MSP 500 & Elite 150, and Inc. 5000.

ITIL-Based Processes

Our unwavering mission is to maximize efficiency by making the onboarding, implementation, and rollout journey seamless and enjoyable. Leveraging the ITIL framework, we bridge the gap between security and compliance to enhance overall effectiveness.

Zero Trust Security Approach

Adopting a "trust no one" strategy safeguards your company information from the inside out. We'll implement continuous authorization, strict access controls, and ongoing monitoring for your ultimate protection.
