# Infrastructure

**Agile and fortified IT for seamless growth**

Experience an agile and fortified IT framework, granting you the freedom to focus on your organization's growth trajectory. From designing and implementing custom IT setups to vigilant management and security measures, we are your partners in amplifying efficiency, safeguarding data, and ensuring uninterrupted operations.

## Services You Gain

### Ongoing Management & Support

Enjoy continuous monitoring, timely issue resolution, and system updates. Our proactive approach ensures your IT infrastructure remains robust, reliable, and ready to support your business growth.

### Tailored Network Solutions

Unique to your organization, our network designs foster scalability and deliver industry-specific performance. We create network solutions that grow with your business and meet your specific needs.

### Custom IT Infrastructure Design

Receive IT solutions that bolster efficiency and security, aligning seamlessly with your objectives. Gain expertly crafted IT setups that enhance operational performance and adaptability.

### IT Infrastructure Optimization

Improve efficiency, reduce costs, and enhance performance with expert infrastructure assessment and streamlining.

## The Ascend Advantage

**Experts You Can Trust**

### Award-Winning Team

Team Ascend's renowned experts are some of the best in the industry. Ascend consistently ranks among the top MSPs in the country, earning positions on award charts such as Channel Future's top 501 MSPs, the CRN MSP 500 & Elite 150, and Inc. 5000.

### ITIL-Based Processes

Our unwavering mission is to maximize efficiency by making the onboarding, implementation, and rollout journey seamless and enjoyable. Leveraging the ITIL framework, we bridge the gap between security and compliance to enhance overall effectiveness.

### Zero Trust Security Approach

Adopting a "trust no one" strategy safeguards your company information from the inside out. We'll implement continuous authorization, strict access controls, and ongoing monitoring for your ultimate protection.
